

# SEPTEMBER

Education for Sustainable Development is one of the axis of LOMLOE. Is your school/high school prepared to deal with it with a pervasive perspective?

# DECEMBER

This is a month marked by consumerism, wast of resources and Christmas decoration excesses. Let's look for sustainable alternatives.

				FRIDAY	SATURDAY	SUNDAY
				1 Let's think about it... Is is really necessary?	2 Better without glitter. It is poisonous for ecosystems.	3 Do we pimp paper bags and cardboard boxes for our gift packages?
4 Do we reuse decorations from previous years?	5  World Soil Day	6  The COP26 in the classroom.	7  Do we set up a workshop to create eco DIY gifts?	8	9	10 Human Rights Day Animal Rights Day

# MAY

**Overcapacity Day.** It is the day on which we have used up all the natural resources that nature is capable of regenerating in a year. There is a global day and another corresponding to each country. Has Spain's overcapacity day been brought forward to 2023?
